Description: The adventures of an American hacker in Medieval England continue as Martin Banks takes his next step on the journey toward mastering his reality-altering powers and fulfilling his destiny. A month has passed since Martin helped to defeat the evil programmer Jimmy, and things couldn't be going better. Except for his love life, that is. Feeling distant...

Review: After reading the first novel of the series, I was excited to continue with Magic 2.0s Spell or High Water. For the most part, I did enjoy the book - it was a fun, relaxing read that didnt require a lot of attention or effort to read, which for a grad student is the nicest of breaks. I was disappointed, though, by the resolutions of the different plots...
